Tapping the Power of Older Adults

The [Vital Aging Network](#) (VAN) in North St. Paul, Minnesota is a volunteer-led organization using [innovative approaches](#), such as [assets-based](#) engagement, to work with older adults within communities in meaningful ways.

Results

Through the formation of self-directed teams, educational forums and leadership development, VAN has tapped into the power of individuals 50+ to impact communities across Minnesota. Some of the effects VAN-connected volunteers have had include:

- Establishing a network of support for grandparents raising grandchildren.
- Organizing the community to install refrigeration units within a local food shelf and creating a blueprint for replication.
- Creating a citizen-led initiative to increase wellness among individuals 50+.
- Teaching English to Hmong elders.
- Volunteers gaining fulfillment and personal growth.
