Costas,

I think we need to schedule a follow-up call to update where we are on these two programs. You,(ACL), were going to have someone with the VA contact the Charleston VAMC . We need to get an update as we have seen no movement. Neither Columbia or Charleston is paying us at this time. We will request a revision to the Part B grant to pay our agency for the outstanding amounts should we not be able to resolve this. Both VAMC's owe us significant amounts from July 2013.

Please give me some availability dates and times.

Thanks for your assistance with this.

Tony
