Like Geocaching? Take part in the Sandhills Region Challenge! 13 geocaches are hidden in 13 different SC state parks. Each cache includes a code to find the 14th and final cache -- in that cache are some very special coupons for great deals on a cabin rental. The first 5 people to find the final cache get a coupon! Go to www.geocaching.com and search for the Sandhills Region Challenge to begin your quest!

Geocaching - The Official Global GPS Cache Hunt Site

Geocaching is a treasure hunting game where you use a GPS to hide and seek containers with other participants in the activity. Geocaching.com is the listing service for geocaches around the world.

John Wallace It was fun. Thanks for the new Caches. Hope to get around to more of the parks to see what we have been missing
