## South Carolina State Parks

at 13:34:56 on 3/01/2021 UTC

The Director's Award is given each year to a park employee who has gone above and beyond. This park manager has managed a new campground project and many challenges associated with that new campground, as well as always been ready to assist with training and always willing and ready to help his regional chief. This year's Director's Award goes to Park Manager Rowdy Harris of Lake Wateree State Park! Congratulations, Rowdy!

**Donna Ashmore Aycock** Directors award last year went to Hickory Knob. If it wasn't for the A2 employees there the park would not run. Management never there. Need to recognize the people who work not ones who don't.
