Office of the Governor
1205 Pendleton Street
Columbia, South Carolina 29201

Taxpayers: Janet M. Allen

Dear Governor Haley,

We are writing to discuss the current issue we are having with the State of South Carolina. We represent the above-referenced taxpayer and are currently trying to work towards a resolution on their tax matter.

The taxpayer is currently struggling with financial hardship as well as many other millions of Americans due to the current recession. In addition, the taxpayer suffers multiple medical issues. The taxpayer would like to resolve the tax liability with the State of South Carolina.

We have attempted to work out a solution directly with the State of South Carolina that would be mutually beneficial, but have not been successful. We believe the taxpayer should receive some assistance in this matter and request a feasible form of recourse. We now request your office to step in and assist this taxpayer.

Please have someone contact me at the telephone number above to further discuss this matter. I would appreciate if you could please contact us within 30 days.

Sincerely,

Marcy Lambert
