Subject: Ethics

AARP called me today to let me know they plan to run a quarter page ad in the Greenville News to thank Larry Martin for his leadership in the Senate on ethics reform. AARP, League of Women Voters and Coastal Conservation will join in the thank you ad. AARP wants to know if the Gov would also like to be part of the thank you to Martin.

Also, can we talk today or tomorrow on PR regarding ethics reform, i.e. getting the Senate re-motivated on this issue.
