Subject: Tanger PSA

Per Quentin there is no cost associated with the PSA. Mr. Tanger could fly down on the 28th (afternoon) to film the PSA with gov and he'll work with our office on the script.
I told him that someone from our team would follow up with him today.

Please send logistics for the 28 as soon as possible. Location and time first so that I can have our team arrange travel.
We can schedule a quick call to address script and other details. We are extremely excited to partner with you on this project. Best regards, Quentin

Mr. Pell,

Governor Haley would be happy to participate in a PSA recognizing Tanger Outlet's partnership with Lowcountry Food Bank. As you can imagine, the Governor's schedule is still pretty fluid right now with much of her focus being on the relief and recovery efforts across the state. We have a videographer on staff who can film the Governor's portion of the PSA and send it to you. Will that work? What date will you need the video by and do you have a script you would like for us to use?

I will be out of the office for much of this afternoon, but I will try to get back to you as soon as I am able.

Thanks,
Nicole
