Hi Holly –

Would you please send us the names and contact information for the grant committee members the Governor is recommending? Thanks!

Also, would the Governor be comfortable in asking the folks who produced videos to post them on their social pages in addition to being posted on the Governor's Instagram page? We should try to capitalize on the broad social media reach of our celebrities.

Thanks!

So, there was appx. \$10,000 in online donations post-press conference but before you began the tracking link?

Hi Holly,

I would be happy to pick up the check!

The difference is the online credit card donation totals I gave you *before* we had access to the very convenient link. That link was created a few days post announcement-more detail that you need to know but it exists because we created a new way to track online donations. So that is a running total you see since the first day I shared it with you and yes, it is post the One SC Fund announcement.

We have not received a check in the mail since the 100K but I'll also keep you updated on that.

Let me know if you have more questions.

Thanks!

I have a check from Jerry Richardson for \$300,000. Can someone swing by the office to pick it up?

Also, wanted to clarify – Joann told me on Friday that total giving since the press conference has been appx. \$123,000. I looked at the online donations link today, and it had total credit card donations at \$13,545. Couple of questions – 1) Is that credit card donation total since the inception of the fund, or since it was named One SC, and 2) I know you all received one check for \$100,000. I'm assuming the \$10,000 or so difference (between the \$123,000 and \$100,000 check plus credit card donations) is checks you have received?

We are working on planning a fundraising event. I will keep you in the loop.

Thanks, Holly
