Check out this great article from the Charlotte Observer on Huntington Beach! Plan your trip today!

### The Must Sees of Huntington Beach State Park

If you love to be immersed in nature, perhaps the Grand Strand – with all its glittering diversions – doesn't immediately pop into your mind. But just south of Murrells Inlet is 2,500-acre Huntington Beach State Park, one of only four S.C. parks nestled against the Atlantic. Huntington Beach may be...

**Cintia Borda Posada** My mom lives in south Florida and they are tired of seeing them, I never knew they can live this far north...

at 2:20:18 on 4/09/2016 UTC

**Peter Bendal Kear** They keep moving north. In fact North Carolina has an ever growing population and most of South Carolina has them to the point they have a hunting season for them.
