---

This is not an official or final response but an acknowledgment that I have received your email and appreciate your taking the time to contact my office.

I am happy to address questions or concerns of the constituents of House District 85 and encourage constituents to send all email with the subject line "CONSTITUENT" (and include your address in the email) so that I can make your request a priority. I regularly receive a large volume of U.S. mail and email which makes it difficult for me to respond as quickly as I would like; please feel free to contact me on my cell (803) 331-8468.

Sharing your ideas and suggestions enables me to do a better job for our community and state. Again, many thanks for taking part in the process and contacting me.
