I believe the right to fly the Confederate flag belongs to everyone that wishes to do so. If all other flags can fly and that includes ISIS, then the Confederate Battle Flag should fly free as well. The south will not back down!!

If they cannot honour those of our citizens who died fighting for our state, then they should not have the PRIVILEGE of being in an office where they are supposed to be "for" the people. They have disrespected black, white, native, Hispanic and others who took up arms when asked to do so, who did their duty and gave the ultimate sacrifice. The people on this list have basically spit on that for the sake of jumping on a political bandwagon. I am saddened at how they chose cowardice rather than honour, unlike those the flag represents. Amazes me how quickly they rush this through, yet SC has been named #1 state for child traffickers to run to, since the 1980s and yet they STILL won't even discuss stopping THAT

These lawmakers acted out of emotion; not logic. They declared all of SC and the South as "guilty" of the Charleston tragedy and wrongly focused on the color of the victims' skin. They should mourn for their loss instead of using them as their political pawns in a poor attempt to make themselves look "good". They gave the haters what they wanted -- to bully others -- , rather than learning from the people of Charleston who acted out in love. I've lost my respect for these lawmakers.
