### Hospice Care of South Carolina's 20<sup>th</sup> Anniversary Gala

Good evening. I am so pleased to be part of today's events to celebrate the 20th anniversary of Hospice Care of South Carolina. Twenty years. So much has changed in our state in those years, but what hasn't changed is your quality of care and dedication to service to South Carolinians.

Since its beginning in 1997, your organization has expanded from covering only the upstate to providing coverage to every corner of our great state. You all have touched the lives of thousands - becoming the largest hospice provider in the state. This accomplishment has been made possible through innovation, compassion and a dedication to the patients and families that trust Hospice Care of South Carolina during the advanced stages of terminal illness. Every one of you have helped make the most difficult time in a person's life better. What a wonderful gift.

To David, Todd, and to the entire Hospice Care team, I would like to thank you for your dedication to making South Carolina a better state through your efforts to comfort those in need and through your countless charitable contributions. And I wish you many more years of continued success.

If I can ever be of service to any member of the Hospice Care of South Carolina team, please do not hesitate to contact me. In the meantime, I hope you enjoy the rest of the celebration!
