Governor Nikki Haley  
Office of the Governor  
1205 Pendleton Street  
Columbia, SC 29201

Dear Gov. Nikki Haley:

As your constituent and a Boeing South Carolina employee, I am writing to thank you for supporting a long-term reauthorization of the U.S. Export-Import Bank (Ex-Im). Ex-Im is a critical tool for expanding U.S. exports and jobs in a competitive global economy and it is an important alternative for our customers when they are unable to secure competitive financing in the commercial airplane market.

Not having Ex-Im Bank has put Boeing and the entire U.S. aerospace sector at a severe disadvantage to our foreign competitors. According to a recent report from the National Association of Manufacturers, there are more than 80 foreign export credit agencies just like the Ex-Im Bank, and they continued to close on deals worth tens of billions of dollars at the expense of U.S. exporters. For Boeing, our customers' inability to access Ex-Im financing resulted in the loss of two commercial satellite deals, and several Boeing Commercial Airplanes customers told us they were concerned about their ability to take delivery on or make future purchases of our airplanes. These losses put the jobs of Boeing South Carolina employees, as well as our nationwide aerospace supply chain, at risk. That risk extends to our friends and neighbors whose growth and livelihood is dependent upon Boeing Jobs.

With more than 90 percent of Boeing's workforce based here in the U.S., and close to 15,000 companies of all sizes in Boeing's domestic supply chain, our ability to sell airplanes overseas dir

Sincerely,

Steve Parsons
