

ANDERSON COUNTY COUNCIL
ANDERSON, SOUTH CAROLINA

Called Meeting - August 24, 1981 - 9:00 a.m.

Linda N. Gilstrap, Clerk

M I N U T E S

PRESENT:

Chairman - C. Edward Poore
Members - Joseph G. Wright, III
Fred H. Bratcher
Curtis Kinley
David L. Hooper
Daniel A. Rhodes

Mr. Poore called the meeting to order and Councilman Fred H. Bratcher gave the invocation.

Mr. David Simpson of Farmer & Simpson Engineers approached Council with a problem concerning the "low-level" outlet repairs at Broadway Lake. He explained the need for an additional \$30,000 - \$35,000 to install a 36" steel pipe through the existing low-level outlet which seemed to be in danger of collapse at a point about 75' from the down-stream end where a brick and concrete wall had been constructed. Mr. Simpson was advised by Council to seek additional proposals, hoping for a reduction in the initial projection, and report his findings at a meeting called for that purpose at 5:00 p.m., Friday, August 28, 1981.

Council adjourned at 9:35 a.m.

The following news media was contacted regarding the called meeting.

Respectfully submitted,

Linda
