Sending this along so that if I mark "Amend per EOC" in the spreadsheet, you'll have the text to go with that. Thanks.

Hot off the press. . . the EOC's budget and proviso recommendations. Call me if you have questions or concerns. All I can say is that the focus is technology and preparing all students to be college and career ready.

The cyclical review report was not adopted. The EOC members wanted more time to clarify the findings and recommendations. I have attached the framework which is the work of the stakeholders and panel that went through the process.

Sincerely,
