I don't recall this at all, and that's probably because I dumped the email, but he can't do this. This will have to be Darryl. I can't tell from the email exactly what you're asking. The first part says he'll be speaking and the second part wants to know when he'll speak.

Hi Lily,

I wanted to talk to you either tomorrow or Friday about Lt. Gov Bryant's talk he will be giving on April 7 for SCARN's aging research day. I have attached all of our flyers to help you prepare and this is our website: [www.scarn.org](http://www.scarn.org) . Let me know when a good time for you is. Thank you so much!

Best,
