Dear Troop SC9212,

I want to let you know how proud I am of you for completing your 3<sup>rd</sup> annual Valentines for Veterans project with a record 1,411 valentines! The fact that you worked so hard in order to honor the brave men and women who have served in our nation's Armed Forces is simply awesome. Through your efforts, you are making a positive difference and setting an example for other young people on the importance of service.

The valuable lessons and experiences you gain today will provide a strong foundation for you throughout your lives. I encourage you to always aim high and do your best, for you are tomorrow's leaders. Keep up the good work! God bless.

My very best,

  
Nikki R. Haley
