#### Description/Significant Features:

The front elevation has a central entry door, located beneath a shed-roofed portico that is supported by square posts, with wooden lattice on the sides; the modern door is surrounded by vinyl siding, which covers the section under the porch. The main building has no other openings on the front elevation. On the west side, there are two single-pane, rectangular casement windows in the upper portion of the wall and a one-story, side-gabled addition that has a secondary entry door, single one-over-one, double-hung, vinyl sash window, and vinyl siding on its exterior.

Alterations (include date(s), if known):

Replacement siding; side additions
