Subject: another DOR question

Katherine,

Thank you for letting us know that you are in the process of contacting Martha Elizabeth Anderson – SC resident living in Scotland. I received an email from her today and have let her know that you will be contacting her.

Here is another inquiry received from a constituent of Senator Courson:

- Will hackers be able to redirect social security checks since they have ss numbers and bank routing/account information?

Thank you,

Louise B. Spong
