Great! Just let me know about the podium and microphone.

No press should be invited. We will not put this on the Governor's public schedule.

Let me know if you need anything else from me. Once you get those talking points together, please send over to me and Holly.

Thanks,  
Nicole

Nicole,

I am going to the auditorium on Monday to check it out and make sure we have a podium and a microphone. The auditorium does have a stage and theater style seating.

I was going to follow your lead regarding the press. I assumed that if this event were placed on her schedule, we could expect press there. Your guidance here would be appreciated.

Thanks,

Jimmy

Thanks, Jimmy.

Just a few follow-up questions:

- Will there be a podium with a microphone? I am assuming the auditorium has a stage and is theatre seating, correct?
- Will there be press at this event? Can it be included on Governor Haley's public schedule?

Thanks,  
Nicole

Nicole,

Sorry I missed your call.

Here is some basic info:

The kickoff event for the project is Monday, October 12, beginning at 10:00 in the auditorium at the Department of Archives and History.

I am working to finalize the agenda and the presentations, along with some talking points for the Governor. I will get these to you on Monday (Oct. 5<sup>th</sup>)

Attending the kickoff (we should have approx. 175 attendees):

- Governor
- DSS Director Susan Alford and key staff
- Clerks of Court (or reps) from each county
- Court Administration reps – Invited the Director, Rosalyn Frierson, and key staff - I don't think that Chief Justice Toal will attend.
- Xerox
  - Dave Amoriell - <http://www.xerox.com/about-xerox/executive-leadership/corporate-officers/dave-amoriell-biography/enus.html#staff> - I think the Governor has met him before

- Xerox project staff and subcontractor staff
- State CFS Project Staff
- House and Senate Staff (Angie Willis and Ryan Burnaugh)

Ms. Alford will begin the presentation with Welcome and Introductions and will introduce the Governor.

Mr. Amoriell will follow the Governor.

After the Governor and Mr. Amoriell speak, we will pause to provide an opportunity for the Governor to leave if she wishes – Should be around 10:30.

I will then give a 30 minute presentation covering some of the project details.

The contact for Security at Archives is Ms. Brenda House. Her cell phone is 803.445.7476 – She is expecting your call.

Please let me know if you have any questions or need any other info.

Thanks,

Jimmy
