Thanks, Chaney. Quick question on the letter.

On the call to stop shipments or reroute the plutonium, is it fair to say that rerouting means to make sure the plutonium doesn't enter South Carolina? I figured it does but just want to be sure.

Hi, Chaney. As I was typing this, I heard where Gov. Nikki Haley has asked Sec. Moniz to stop sending plutonium to SRS. Do you have a copy of that document or statement?
