Dear Ms. Day, we did see Sheriff McBride last Thursday, and LG Bryant mentioned this case. Sheriff McBride said that he is confident that he's making progress, and the case is very active. He said that he is aware of your concerns, and that he believes that they are moving forward. Please let me know if we can do anything else at this point.

Dear Ms. Day, pardon my late reply, but I've been on the road. We'll speak to Sheriff McBride about this, and I'll get back to you as soon as possible. Thanks

I talked with you Monday at Lebanon Baptist Church about the murders of my family in Pendleton in 2015. My Aunt Barbara Scott and cousin Mike Scott along with Mike's wife Cathy and her mother Mrs. Taylor were murdered October 31, 2015 in their home on Refuge Road in Pendleton. It is our understanding that arrest warrants were signed and ready to be served this past December and our new Solicitor stopped them from being served. It has almost been two years since this horrible crime and even though the Sheriff's Office and Solicitor's Office know who are responsible for this they haven't made an arrest. Our family would appreciate any help that the Lieutenant Governor could give us in this matter. Thank you for looking into this matter for us.
