

State of South Carolina Office of the Governor

NIKKI R. HALEY
GOVERNOR

November 2, 2011

Ms. Gina Smith

Dear Gina:

On October 12, 2011, our office received your Freedom of Information Act request for:

- “ • A list of all phone calls made and received on Gov. Nikki Haley’s state-issued cell phone since her first day in office.
- A list of all emails sent to and received on Gov. Nikki Haley’s state-issued email account since her first day in office.”

While our office does not have a “list” of the Governor’s cell phone calls or emails, we have located cell phone records and email correspondence. If you would like to receive copies of these records, the cost will be \$35.88 (205 pages at 10 cents per page and \$15.38 for conducting the search and pulling the documents). Due to the high volume of Freedom of Information Act requests the Governor’s Office receives and the significant costs associated with producing the responses, our office charges a reasonable cost of copying and making available records as allowed pursuant to Section 30-4-30(b).

You may send a check made payable to the “Office of the Governor” at the contact information listed below. Please provide the payment, and we will send the information to you.
