Subject: June's Complimentary Webinar: Family Violence - Working Towards Solutions

Free Webinar: Family Violence - Working Towards Solutions - Pt 1

Each month CTRI offers a complimentary webinar.

Family violence occurs in every community and culture and has profound effects on every person it touches. Despite this ugly reality, there has been a lot of silence, shame and stigma around this issue creating many myths and misunderstandings. In order to work towards solutions, we must first be aware of the realities of family violence, its influences and impacts. This webinar focuses on creating a basic understanding of this complex issue. Topics reviewed include the types of family violence, their impacts, theories of understanding and contextual influences.
