**Subject:** 1115 Waiver research

Hi there,  
My name is Sheena Eagan Chamberlin and I am graduate student at the University of Texas Medical Branch. I am in the process of researching medicalaid section 1115 demonstration programs accross the US. I have found a great deal of information on your programs, both past and present. But I had a few questions about the current status of some of these programs.  
What is the current status of the South Carolina Health Connections 1115 program?

Also, I was wondering if you would be willing to forward me any paperwork related to the current status of this program? Also, are there any other ongoing 1115 medicalaid waivers?

I did not know where to start, so if you do not have this information would you be able to forward my query to the relevant person?

Thanks,  
Sheena

Ms. Eagan,

The 1115 waiver application that you reference below was never fully developed and was ultimately withdrawn by our agency several years back. We currently do not have any 1115 waivers and at this time are not actively working on any, although that may change in the coming months.
