Richele,

The room is available tomorrow at 11:00 but for only 30 minutes as David has a meeting at 11:30. Let me know if you want me to reserve it for 30 minutes. If you need more time, I can check the Wade Hampton conference room for availability.

Sheila,

Is the Governor's Conference Room available tomorrow at 11? If so may Austin and I have it to meet with attorneys from DEW?
