Suzanne Sorrow Hatchell Sorry, more than 4 words, but we spent the weekend at Calhoun Falls. It was great. Blythe arranged a Treasure Hunt for the kids on Saturday complete with a real buried treasure and a golf cart parade on Sunday! The kids (and adults) loved it. She is such an asset to CF State Park!

Sharron Davis Hawkins Jones Gap State Park in SC we hiked to Rainbow Falls it was a hard hike 2.4 miles steep incline but the view of the falls was worth it. What really amazed me my 5 year old grandson made it up and back down walking on his own the whole time we never carried him.

Juliet Vignola Harris Myrtle Beach State Park is my favorite. It's cheap, right on the beach and there's alot of pine trees and the showers and bathrooms aren't too bad either.
