

Governor Nikki R. Haley,

My name is Tolliver Lawson and I am writing in hopes that somehow you can assist me in getting my Social Security Disability processed at once so that I can seek the proper medical care other than the substandard treatment I have been receiving from both VA Care and Civilian care facilities as well. My hopes and prayers are that you can get a speedy process in which my claim is now currently in Appeals process for my Social Security Disability. I'm in Pain and need this process to close so I can seek treatment elsewhere as it has been 3 years now of waiting. If there's anything I can provide you with to close this case, please respond

to my request. my Date of Birth
is 6/26/1972 and Social Security
number is 266374383. I will
await your response.

Sincerely Tolliver Lawson
