Dear Alice:

Per our conversation at the March mentee lunch, I am sending you my resume and a brief description of my public health work experience. Please let me know if you would like me to elaborate on anything or discuss other aspects of my resume. The blurb on the following page reflects the work I did prior to law school and ultimately what influenced me to go to law school. Thank you for your time and willingness to help. Hope to see you soon.

Sincerely,

A handwritten signature in black ink that reads 'Bentley White'.
