Katherine,

Thanks for getting back with me regarding scheduling a visit for Governor Haley with the Spartanburg Chamber and community.

We would love to do something in late July or early August – say July 23rd – August 10th if possible. The only date during those weeks that would not work is August 7th. We are open to either a luncheon or breakfast, and would only like to stay away from Monday morning breakfasts.

If these weeks will not work, we will be glad to work with you to find a time that would. Our only consideration would be that we would like to have about three weeks' notice if possible to get everything lined up.
