Subject: Pee Dee economic development information

Hi Ben,

Can you pull the following:

- economic development announcements in Darlington, Dillon, Horry, Florence, Marlboro and Marion counties from the entire administration?

We have a reporter working on a story with one of the Pee Dee TV stations and want to provide information back to them ASAP.

Thanks,
Beth

P.S. Copied Jennifer because I wasn't sure the status of your injury! Hope all is ok!
