Subject: Trying to Connect

Tony,

I hope this finds you doing well. My name is Graham McGee with TRC Staffing. We were recently awarded the state contract for staffing, allowing us to assist state agencies with their staffing needs. I was hoping you can help me out if you are the appropriate person to contact regarding this subject. TRC has been in Columbia for 14 years and has a very successful history of providing clients with high quality candidates and services. We recently decided to pursue the state contract in order to open the doors to partner with the state agencies. We have already met with several state agencies and would really like to grow our business in this area. Might I have the opportunity to come introduce myself and speak for just a few minutes about our services when you are free? I am available Monday, Tuesday, and Wednesday of next week if that works for you?

Thanks and I look forward to hearing from you!
