## Homeless Veterans and Homeless and Citizens in Need

For the past 18 years, I have sponsored and co-sponsored Holiday Food Drives, Winter Clothes Giveaway and providing meals for the Homeless Veterans and citizens in need by hosting several events during the holiday season. None of this would have been possible without the cooperation of community churches, grocery establishments and generous sponsors. I have been successful over the years to expand this outreach by garnering business and individual sponsorships and hopefully will continue to do so.

Option 1, I am asking you to be a sponsor; preferably that you purchase several \$25 gift cards from your favorite grocery vendor or supermarket.

Option 2, you may forward a check to the Twin City Outreach Mission for the purchase of grocery gift cards. This token of appreciation and outreach for the less fortunate is more than an act of kindness it has been a blessing for the recipients.

Last year we expanded our efforts to include the unscheduled Sea Island area. In our haste to be inclusive, there were non-confirmed commitments which resulted in an additional \$2,300 of personal project money was spent. The Sea Island residents expect their area to be included in this project and rightly so. Therefore, I encourage the churches, businesses, public servants and individuals of the Sea Island Community to join me and get involved.

Its challenges of this nature those make us who we are as a people. I know I can count on You!

**I lost \$40,000 of income; I cannot do this by myself. I am committed to these projects and the people they serve.**
