Subject: Trip to India

Neha,

I hope you are well! Kay reached out to us recently about your invitation for the Governor to have dinner at your home while in India. Thank you so much for that generous offer - she is very appreciative. Unfortunately, her schedule is completely full - we've booked her in meetings and events her entire time in Mumbai. We do hope that you will be able to attend the reception the night of the 19th - I know that Governor Haley would love to see you again (as would Ford and I!) and I'll make sure you have a chance to say hello to her. Please let me know if any of your team plans to attend. Thank you!
