All-

To be clear we have not been able to make contact with the Superintendent yet. She is in California as her son is having surgery. Ryan and I will discuss the below as soon as we can.

Thanks for working to get this done today! To make sure we are on the same page for today, I wanted to share with you our release plans.

Our plan is to send this to the AP, The State, and Post & Courier as soon as the letter is sent to the General Assembly.

Katherine will email the letter from our office to the General Assembly as soon as the letter is signed. Please let us know how you plan to send the letter to the General Assembly as well.

Also, our communications team would like to coordinate with you today, in particular on social media. I've copied Rob and Chaney who can talk to Ryan.

Let us know if there is anything you need from us and we look forward to working with you!

Looks good. DG will change the sentence to reflect your comment (HE4).

Both teams will have the letterhead/stamped version shortly.

Thanks, KV

David-

I am out of town as soon as I get back I will review the letter and get it to you. Assuming I return in time tonight I will send it this evening. If not I will make it first on my list tomorrow. Without holding both drafts the issue with third grade retention was a wording issue not a policy remark on our part.

Thanks, Emily. The earlier the better so we can get it finalized and signed ASAP.

In the interim, I noticed your suggested edits removed the language regarding holding 3rd graders back that do not meet reading standards. This, of course, is a legal requirement and something Gov. Haley felt strongly should be included in the letter. Any specific reason you suggest removing it?

Thank you again.
