Hey Marcia,

Patty and I were able to contact FARS regarding the information you requested earlier this morning. Attached is the spreadsheet that Patty pulled. The first tab on the spreadsheet should represent all active checks. The second tab shows checks that are still pending at FARS. If you have any questions, please call me or call Patty.

Thanks,  
Trish

Trish,

The attached spreadsheet is the FARS Complete Check History excluding Settled/Merchant Paid, Settled/Unresolved and Deleted Checks status. This spreadsheet reflects checks still pending in FARS.
