Val,

I think you're the best person to handle this. The discrimination she is referring to may be about the fact that non-US citizens cannot receive services on Saturdays. We received a complaint about that recently.

Subject: Seeking Information

This office has been contacted by South Carolina residents who say that have been treated in a discriminatory manner by employees of the Department of motor vehicles.

We would like to bring this matter to the attention of the administrator of the Department of Motor Vehicles. Would you kindly reply to me with the name and mailing address to the person who heads the department?

Yours in liberty,
