Subject: Veteran's Directed HCBS

Debbie,

Per the Columbia VA, there are 98,000 veterans classified as at least 70% service disabled between Columbia and Charleston. There are approximately 14,000 in the Greenville area. This is the determination by the VA as to the population that will need long term supports such as VDHCBs or nursing home level of care. The VA currently sees more veterans in Greenville than the Columbia VAMC.
