Hello,

I'm a supporter, a voter and a driver. Why are roads in Georgia so much better than ours? Last month I spent a week in Augusta and didn't remember hitting 1 pot hole. Roads were smooth and had that new smell.

Im back in Columbia sc and every morning to work I see and hit hundreds of pot holes on our roads, highways and even interstates. What are you guys doing???

Now Nikki, I see you spent a ton of energy getting a flag down that has nothing to do with the Charleston shooting. Let's use that same energy to get roads fixed.

My taxes are being misused! Please correct our roads, it's YOUR JOB. If not you will lose my family's vote. I just bought (\$600) new tires for my family van last month. Today I'm changing a flat tire due to our roads. Please get this done!

Yours truly  
Joshua Howell
