Let me see if I can talk to the Governor about it early next week...there will be a little paperwork to process if she signs off on all of this. For instance, Missy would have to complete an application to serve on the Commission, we'd have to run a background check on her, etc. So let me see if I can get sign-off in the next few days so that we can potentially go into the meeting on the 29th without having to wonder if this will all work out in the right sequence. Plus, since 8/30 is a Saturday and 9/1 is a holiday, we may wind up wanting to do 9/2 effective dates so that the Secretary of State's Office will be open to do their part. If I don't get back to you on this by the end of the day Wednesday, remind me to follow-up... Thanks.

Actually the first week in September may work perfect. We are thinking that it may be best to have Lannuea's resignation take effect on August 30th. That way he can chair the meeting on the 29th. Let me know if you think that will work.

OK, thanks. The next board/commission meeting is the first week of September, but I might be able to sneak this one in earlier.

Hey Christian,

You are right. There is no Federal requirement limiting individuals to two terms with the Commission, we must have just been defaulting to the BOD bylaws on this. I will ask Lanneau if he would be interested in continuing to serve on the Commission.

Remind me again when the next time that Governor Haley is scheduled to review appointments.

Thanks,
