Nicole,

The governor is going to sit down for a round of one-on-one TV interviews about the one year anniversary of the 1,000 year flood.

We think there will be five of them. (Could be just four.)

Since we hope to have ETV lighting the governor's office, all five stations should be able to get in and out in 2 hours. (If ETV is unable to light the office, then we will have to pack in a bit more time for individual stations to set up and break down.)

Do you have a few options for dates when we could do this by the end of September?
