We are currently working to obtain a grant from the Land & Water Conservation Fund to repair and resurface the golf course paths, tennis court and the golf course parking lot at Hickory Knob. Please let us know your thoughts about this project by emailing us at [hickoryknob@scprt.com](mailto:hickoryknob@scprt.com) or dropping a comment in the box located at the pro shop or front desk. Your comments are helpful and necessary in helping us acquire this grant. Thank you!

**Becky Abraham** Nope--- user fees should be raised. Not conservation funds.

**Kassie Coykendall** Shouldnt land and conservation funds go to...well...land and conservation? Not for repairs on recreation/sports. Maybe find it somewhere else that aids those types of activities
