This update can be included in the Monday notes.

Josh and Haley met with Sen. John Scott on Thursday regarding the Youth ChalleNGe program. The Guard provided Sen. Scott with grant program background and information. Sen. Scott followed up that he appreciates the information and it was communicated to him that the grant money the Guard received is not based on a state match requirement. He said that because this money is not needed for the next fiscal year he would hold off on requesting the \$1.5 million for the program.
