It is updated. Through end of day Friday the non-sponsor number was \$61,541.77. Through Tuesday evening the number for non-sponsorships was - \$69,366.77. The new number is \$72,419.77. It shows entries through 10/24. I would say that from the time the money hits to when it processes is not real time though

The spreadsheet says October 20 at the top...it also has HSB listed as pledged and then it has paid...do you know if it is updated before we put it in the staff notes?

Thanks,
Katherine
