Chaney-

Will you please call Elder James Johnson with the National Action Network (NAN) tomorrow morning on his cell phone: (843) 532-0787. He called the Governor's cell phone and left a message. The Governor could not understand the message so I just called the number. He would like for her to do a "DJ radio show" next Tuesday when she is in Charleston for the prayer vigil. I told Elder Johnson that you would follow-up with him on that request tomorrow morning (he requested tomorrow morning as he was just heading in to a meeting).

Thanks,  
Nicole
