Rep. Sanford's office has requested some data on refugees. This is data that you have seen previously, but likely not in this format. Therefore, I wanted to ensure you had a copy of the spreadsheet. This spreadsheet breaks down all refugees resettled since FY2010 by both country of origin and county of resettlement. Let me know if you have any questions.

Peter,  
Attached is a spreadsheet that will provide the requested data regarding refugees. Information regarding those individuals who are currently still receiving benefits is not maintained in our primary database and, therefore, we are reviewing other sources to provide you that information. However, the document attached reflects the refugee resettlement numbers going back to FY2010 and is broken down by the country of origin and county of resettlement.

If you have any questions after you have reviewed, please let me know.
