Thanks Doug,
If I may - I should have included this in my FOIA letter - I also would like to request the results of any audits the Governor's Office and/or SOVA have done on Horry County in relation to victim's advocates since Jan. 1, 2010.

I understand there may have been an audit done in 2011. If so, I'd like to request a copy of that and any other audits within the requested time period. Thanks!

Hello Doug,

Please find attached a FOIA request concerning victim's advocates in Horry County.

I was not sure whether the Governor's Office or SOVA was the proper agency to send this to, so I've copied your office and theirs.

Please feel free to contact me directly with any questions or if you need to discuss this public records request further. Thanks!

Rebecca,

I am sure Doug has sent this to you already; however, I wanted to follow through with our requirement of also forwarding it since it was sent to Larry Barker.

Let us know what direction you want us to take.

Thank you,

Gary
