OK, thanks - yeah, I just got an email from Rick, with the same update. Hope he's back on his feet soon.

Christian,

Just FYI-

I had a great meeting with Jeff on Monday and hope you're having a great one today. It was good to meet Erica as well. I look forward to hearing how it goes.

Also, wanted to let you know that Rick Edwards had an appendectomy this week and so will be replaced by their business partner, Peter Barth. I am getting Peter set up with directions and the like, but won't be joining him for the meetings.

Thank you

Joe
