

Lisa Marini Widener and Dean Widener

Thank You

Dear Michael + Nikki -

Thank you so much for the beautiful
Victoria platter! I have craved over this
for years but never bought one - I'm
surprised you could've heard me screaming
with joy from the Gessette building!! It is
truly beautiful + I will think of you
both every time I use it.

Thanks again for your thoughtfulness
but most of all, thank you for your
friendship!!

Aisa + Dean
