Hi Christian,

Having a joint conversation with Tony Keck makes perfect sense. Let me know what works well on your end and we can arrange a call. Looking forward to the conversation.

Best,  
Nirav

Hi Nirav,

I've discussed this several times with Tony Keck, who runs our HHS agency. What I'd like to do is have Tony and I call you together, if that works, since we'd run such a program through his agency anyway.

I'm working with his scheduler to get some candidate times, which I'll relay to you. Thanks.

Hi Christian,

It was a pleasure meeting with you at the Social Impact Financing (SIF) Working group meeting in early Feb. I appreciated you taking time to attend the event and speaking with me for a few minutes. Would you be willing to have a brief phone call to continue our conversation regarding potential health applications of SIFs, such as asthma, in South Carolina? I would also appreciate your perspective on what the government process for implementing a SIF would look like.

Many thanks,  
Nirav
